**The Palmer Course  
at La Cantera**

*The Palmer Course  
at La Cantera*

Golf legend and award-winning course designer Arnold Palmer and The Arnold Palmer Design Company, created a championship course set in the Texas Hill Country which will challenge your skill from tee to green. The Palmer Course features a variety of holes touched with dramatic waterfalls, beautiful views and majestic landscape. As one of the course's Signature Holes, number 4 requires a long carry over a lake with waterfalls along the front of the green. Hole number 18 is a spectacular finale that plays slightly up and then to an 80-foot downhill slope, providing incredible views of the clubhouse and waterfall-fed lake.
